If known at this time, please provide a three-sentence description of the proposal that addresses what is being proposed, who and or what in the health system would be affected, and what the basic approach to reform would be.

CFMC has collaborated with a number of organizations and individuals with a wealth of knowledge and experience in the Colorado Healthcare community for input to this proposal. Ultimately the proposal will focus on decreasing costs through utilization of quality improvement processes, system measurement efforts, patient safety initiatives, consumer education and administrative improvements through deployment of technology, all supplemented with resource and legal system considerations. CFMC welcomes the opportunity to collaborate with organizations that will support expansion to access of health care services.
